Traffic impacted by waterline installation on Maluhia Road

KŌLO'A – The public is advised that next week traffic will be impacted by the installation of a new waterline at the intersection of Maluhia and Waila'au Road in Kōloa.

The weeklong project will begin on Monday, Oct. 17. Work hours are 8 a.m. to 3:30 p.m. weather permitting.

While the work is underway, there will be periodic lane closures with flaggers allowing traffic through the single lane in alternating directions, which could result in traffic delays.

Motorists should seek alternate routes, follow all traffic control signs, and allow extra time to get to their destinations.

Anyone with questions can call Ka'iwa Construction at 808-828-1157.
